Principal's Message

It is a great pleasure to welcome you to Charotar English Medium School.

I feel privileged to lead such an exciting and vibrant school, which offers great opportunities for the young people of Anand. It is our goal to make each and every student to succeed. We offer our students the best possible opportunities to become confident, and thoughtful young people who are prepared for any future challenges, in an exciting and increasingly global world.

At CEMS, we are very proud of our caring, inclusive ethos where we set high standards and expectations for our students to achieve and behave their very best. From the moment a new CEMS student joins our school community we want them to feel a sense of happiness and belonging, as this is essential to their future success. Our superb facilities and dedicated staff will enable us to deliver our programmes in an environment that is intimate, friendly and attuned to every specific educational need. We keep our classes and tutorial groups relatively small to create an atmosphere where you can feel relaxed and comfortable, which allows learners to really get to know their teachers.

I look forward to welcoming you to ensure the best standard of education and personal development for your child.

Annual Reports (2021-22)

VIRTUAL PARENTS TEACHER MEET

Positive parental involvement in education through parent-teacher interactions, It is a cost-effective tool to enhance student achievement. The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's upcoming subject wise syllabus and different ways to enrich their learning experience. While this happens on an offline basis, with the current pandemic, the meet was arranged through a digital platform like Zoom online. Around 180 parents participated in the 1st PTM of semester 2021-22. Parents became aware of the school's rules and regulations, methodologies of teaching and learning for the overall welfare of students. Parents encouraged and appreciated student's participation in all academic activities. The PTM came to an end with the conclusion that the progress and development of the students depend on the joint efforts of parents and teachers.
